McCarthy Uniforms has served Canadian workplaces, schools and other institutions with all the things they need to work & learn for over 60 years

During the COVID-19 crisis, we are proud to be doing our part to keep communities across Canada safe. Our team has expanded access to desperately needed Personal Protective Equipment (“PPE”) to all customers at the value pricing, high quality and reliable delivery standards we are known for. We are pleased to share that PPE wholesale pricing is now available for small batch purchases, with even greater value available through our **Bundle & Save** program
